++ Central Standard Time

The Regional Training sites are open to all wrestlers, schoolboy age division and older. There is no charge for admission. However, all wrestlers must present a current USA Wrestling Competitor's card in order to participate.

RTC's are made available so that once a week wrestlers from around the region can come together to learn from new sources and work out some of the areas best competition, in a friendly atmosphere. A variety of coaches will be on hand to share their knowledge.

RTC's will begin the week of February 25, 2007. Be sure to check with your "Region RTC Coordinator" regarding the schedule. Some RTC's will not be operating during spring break. This will vary from site to site.

Wrestlers and coaches who anticipate being a part of a "Team Indiana" trip are strongly encouraged to attend the RTC work-outs. Training with different coaches and working out with some of the state's top wrestlers will serve to increase your knowledge and improve your skills.

The ISWA is constantly striving to improve our programs. Any and all ideas are welcome.
