Processing Procedures Associated with Liability Insurance

SUBJECT: Certificate of Insurance Holder & Additional Insured.

For the current membership year, some changes in procedures are required for USA Wrestling Chartered Clubs that wish to add owner/operators of facilities, they use as Certificate Holders and/or Additional Insureds.

If as a USA Wrestling Chartered Club Director you need to add the owner/operator of the facility you use as a Certificate Holder or Additional Insured, please read the information provided below.

USA Wrestling Chartered Clubs:

1. As part of your club dues, each USA Wrestling Chartered Club receives from the Insurance Carrier a Certificate of Insurance which is proof that the club and its directors and volunteers are provided liability insurance coverage for covered claims and related litigation (within the conditions and limits of the policy) under the liability insurance policy procured by USA Wrestling. This policy is payable up to one million dollars in the name of the sanctioned club.
2. If the owner/operators request that they be added as an Additional Insured to the policy, the club director must do the following:
 - a) The Certificate of Insurance and Fees portion located at the bottom of the Application for Club Charter.
 - b) The Application to Add Certificate Holder as an Additional Insured form on the reverse side of these instructions.
 - c) Send this form, along with your club application, to the ISWA office. The fee for adding an Additional Insured is \$25.00. Adding an Additional Insured is subject to the approval of the Insurance Carrier.
3. The club director will be sent the appropriate endorsement, indicating the owner/operators as an Additional Insured, which he/she will be required to deliver to the owner/operators. This policy provides an additional two million dollars in liability insurance coverage in the name of the owner/operator of the facility.

The above information provides instructions for adding owner/operators as Certificate Holders and Additional Insureds, No part of these instructions are to be deemed USA Wrestling policy or part of the insurance policy, nor do they replace any conditions or terms of the policy. These instructions are subject to change if in any way they are found to conflict with the terms of the actual insurance policy.
