

# Qualification for the ISWA State Final Events

## Folkstyle, Greco-Roman & Women's State Finals

Prior Qualification is not required for Folkstyle, Greco-Roman or Women's State Finals. However, tournaments appearing on the schedule are asked to submit a count sheet, listing the number of wrestlers in each age division and weight class to the ISWA Tournament Statistics Director. A copy of the count sheet is distributed to all tournaments and is also available on our web site.

## Freestyle State Finals

Prior qualification is required for Pee-Wee, Bantam, Midget, Novice, Schoolboy/girl and Cadet age division wrestlers participating in the ISWA Freestyle State Finals. In order to qualify, wrestlers must place in the **top 4** at a local, sanctioned Freestyle tournament located in this publication. Beginners, Folkstyle, Women's and Greco-Roman tournaments do **not** qualify wrestlers for the Freestyle State Finals.

Junior age division wrestlers may qualify for Freestyle State by placing in the top 4 at a qualifying tournament or by pre-registering for the event. Juniors who finish in the top 4 at a qualifying event will automatically be pre-registered for state. **Juniors who do not choose to qualify, must pre-register by notifying Carol Schroeder via e-mail by April 30, 2008. E-mail: [schroederfam7@verizon.net](mailto:schroederfam7@verizon.net) No exceptions!**

\*\*Wrestlers are **not** required to compete in the weight class in which they qualified.

\*\*If there is an out-of-state wrestler in the top 4, the next place winner automatically qualifies. **This means that the top 4 Indiana wrestlers qualify for the state finals.**

\*\*Placing in the top 4 as a Junior at a local freestyle tournament does not qualify you to participate in the Cadet age division. Cadet wrestlers must place in the top 4 as a Cadet at a local tournament.
